

2023 SCHOLARSHIP CAMPAIGN

FIND YOUR Y

FIND YOUR REASON TO GIVE

OUR HISTORY

For over 150 years, the Meadville Family YMCA has been committed to supporting the communities our YMCA's are surrounding and located in. We do this by providing quality programming through membership, child care, youth sports, and more! We impacted over 7,000 members throughout the Crawford County community in 2022 and plan to reach even more in 2023!

Rosanne's Story

I am appreciative to host the YMCA's Y Kids Club at Fairview/Fairmont Housing. Along with 3 volunteers and 2 Allegheny College Bonner Service Leader Program students, we plan activities that include art & STEM activities, outdoor play, board games, reading practice, and homework help. We also provide hot meals on Tuesdays and Thursdays. Our priorities are to provide a predictable yet relaxed and homelike environment, along with consistent caregivers and helping to provide a foundation for kids to develop their full potential. We are seeing an increase in social skills, decision making abilities, and positive contributions to the community. My volunteers, staff and I are honored to be a part of the Fairview/Fairmont community. We feel very welcomed and supported and have already learned so much about community during our time here. This spring and summer, we look forward to getting to know more neighbors and working together to beautify both the apartment complex and Huidekoper Park. We have already started some seeds which will be planted in our garden space, and plans are being made for a natural play area.

OUR MISSION

The Meadville Family YMCA's mission is to develop individuals in spirit, mind, and body through our programs and services. It is our hope that no one be excluded from membership or programming because of their inability to pay. We are an inclusive organization, striving to better ourselves every day.
