Enclosed is our application for childcare services. Everything must be filled out completely, and immunization records included. Your child may not be able to start with our programs until all the information is turned in. You have 30 days from their start date to have a physical turned in. The form is included, and must be filled out, signed, and dated by a physician.

All child care locations are closed on major holidays including New Year's Day, President's Day, Memorial Day, July 4th, Labor Day, Thanksgiving Day, Black Friday, Christmas Eve Day, and Christmas Day. Additional days may be added for professional development. Please check our school calendar.

If you have any questions or concerns about the application, please feel free to call our Child Care Office at (814)336-2196 ext 234. We look forward to meeting you and your child.

Dear Parent/Guardian:

This letter is intended for parents or guardians of children enrolled in a childcare center. Meadville Family YMCA offers healthy meals to all enrolled children as part of our participation in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). The CACFP provides reimbursements for healthy meals and snacks served to children enrolled in childcare. Please help us comply with the requirements of the CACFP by completing the attached Meal Benefit Income Eligibility Form. In addition, by filling out this form, we will be able to determine if your child(ren) qualifies for free or reduced-price meals.

1) Do I need to fill out a Meal Benefit Form for each of my children in day care? You may complete and submit one CACFP Meal Benefit Income Eligibility form for all children enrolled in childcare in your household only if the children in childcare are enrolled in the same center. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. Return the completed form to your Site Director.

2) Who can get free meals without providing Income Information? Children in households getting Supplemental Nutrition Assistance Program (SNAP) (formerly Food Stamps), Temporary Assistance for Needy Families (TANF), or Food Distribution Program on Indian Reservations (FOPIR) benefits can get free meals. Foster children and children enrolled in Head Start are also eligible for free meals. Children in households participating in WIC ☐ be eligible for free meals.

3) Who can get reduced price meals? Your children can get low-cost meals if your household income is within the reduced-price limits on the Federal Income Chart, shown on this application. Children in households participating in WIC DRY be eligible for reduced price meals.

4) May I fill out a form if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the childcare center.

5) Who should I include as members of my household? You must include everyone in your household (such as grandparents, other relatives, or friends who live with you) who shares income and expenses. You must include yourself and all children who live with you. You also may include foster children who live with you.

6) How do I report income information and changes in employment status? The income you report must be the total gross income listed, by source, each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If your household's income is equal to or less than the amounts indicated for your household's size on the attached Income Chart, the center will receive a higher level of reimbursement. Once properly approved for free or reduced-price benefits, whether through income or by providing a current SNAP, TANF, or FOPIR case number, you will remain eligible for those benefits for 12 months. You should notify us, however, if you or someone in your household becomes unemployed and the loss of income causes your household income to be within the eligibility standards.

7) What If my income is not always the same? List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but not if you only get it sometimes.

8) What If I have foster children? Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Households may include foster children on the Meal Benefit Form but are not required to include payments received for the foster child as income.

9) We are in the military; do we include our housing and supplemental allowances as income? If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, regarding deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. Combat Pay, including Deployment Extension Incentive Pay (DEIP) is also excluded and will not be counted as income to the household. All other allowances must be included in your gross income.

In the operation of child feeding programs, no person will be discriminated against because of race, color, national origin, sex, age, or disability. If you have other questions, please call Katie at 814-336-2196

Sincerely,
Tina Carter, CEO

How does CACFP work?

Day care homes and centers receive money for serving nutritious meals. The Food and Nutrition Service (FNS), an agency of the U.S. Department of Agriculture (USDA) oversees CACFP.

States approve sponsors and centers to operate the program. States also monitor and provide training and guidance to make sure CACFP runs right.

Sponsoring organizations support day care homes and centers with training and monitoring. All day care homes participate in CACFP through a sponsor.

Building for The Future

In the Child and Adult Care Food Program (CACFP)

Building for the Future in the CACFP

What is CACFP?

CACFP is the Child and Adult Care Food Program. It is a Federal program that pays for healthy meals and snacks for children and adults in day care.

CACFP improves the quality of day care. It makes the cost of day care cheaper for many low-income families.

Besides providing meals in day care, CACFP makes afterschool programs more appealing to at-risk children and youth. Serving afterschool meals and snacks attracts students to learning activities that are safe and fun.

Children and youth who are homeless can also receive meals at shelters that participate in CACFP.

Who is eligible for CACFP meals?

- Children under age 13,
- Migrant children under age 16,
- Children and youth under age 19 in afterschool programs in low-income areas,
- Children and youth under age 19 who live in homeless shelters, and
- Adults who are impaired or over age 60 and enrolled in adult day care

What kinds of meals are served?

CACFP meals follow USDA nutrition standards.

- Breakfast consists of milk, fruits or vegetables, and grains.
- Lunch and Supper require milk, grains, meat or other proteins, fruits, and vegetables.
- Snacks include two different servings from the five components: milk, fruits, vegetables, grains, or meat or other proteins.

Where are CACFP meals served?

Many types of facilities participate in CACFP.

Child Care Centers:

Licensed child care centers and Head Start programs provide day care with meals and snacks to large numbers of children.

Outside-School-Hours Care Centers:

Licensed centers offer before or afterschool care with meals and snacks to large numbers of school-aged children.

Family Day Care Homes:

Licensed providers offer family child care with free meals and snacks to small groups of children in private homes.

"At-Risk" Afterschool Care Programs:

Centers in low-income areas provide learning activities with free meals and snacks to school-age children and youth.

Emergency Shelters:

Homeless, domestic violence, and runaway youth shelters provide places to live with free meals for children and youth.

Adult Day Care Centers:

Licensed centers provide day care with meals and snacks to enrolled adults.

Did you know?

- Even if you receive SNAP, MA or TANF, you may also apply for WIC.
- In most instances, WIC has higher income guidelines than SNAP, MA or TANF. Even if you don't qualify for these programs, you may qualify for WIC.
- Most families in Head Start and Early Head Start qualify for WIC.
- Foster children under age 5 qualify for WIC. Foster parent income is not considered.
- WIC does not require proof of citizenship.

WIC Income Guidelines

Discipline/Suspension/Expulsion Policy and Procedure Revision

The purpose of this statement is to develop a positive school classroom environment and improve the ELA/YCare discipline policies and practices, while ensuring fairness, equality, and continuous improvement.

The teachers employed by the Meadville Family YMCA are highly qualified community members that take continuous professional development trainings that follow STARS and DHS requirements. Topics of trainings include cultural competence, implicit bias, developmental milestones, child development, teaching social & emotional development, high quality positive interactions, and classroom management. Cultural competence includes guided discussions related to race, gender equity, homelessness, and English language learners.

Universal supports are provided to all students to create an expectation of the classroom and school rules, by teaching and modeling expected behaviors. For students that display mild to moderate misbehavior, it may be necessary to have group interventions, mentoring, and peer mentoring. Behavior Track Sheets and Behavior Reflection & Reports will be utilized to discuss behaviors with children and parents. For students who display intense behavior issues, an intervention will be necessary between parents, teachers, and other school professionals. Intense behavior issues include situations where a child is putting themselves and others around them in a dangerous situation and/or in harm's way.

If intense behaviors develop, all effort will be made to calm and redirect the child. If all efforts have been exhausted and the safety of the children is in jeopardy, parents will be contacted and must pick up their child within 30 minutes and the child suspended from the program until a meeting can be scheduled between teachers and families to develop an action plan to alleviate behaviors. It is the hope that once an individual plan is developed with the families that behaviors will be relieved. Expulsion may occur if attempts with the plans do not stop the behavior issues and/or the plan is not supported with the families help. Appropriate documentation will be completed to track progress and ensure successful implementation of individual plans.
